

# Twin Cities Spine Center

**Dr. Christopher Alcalá, Dr. Benjamin Mueller**

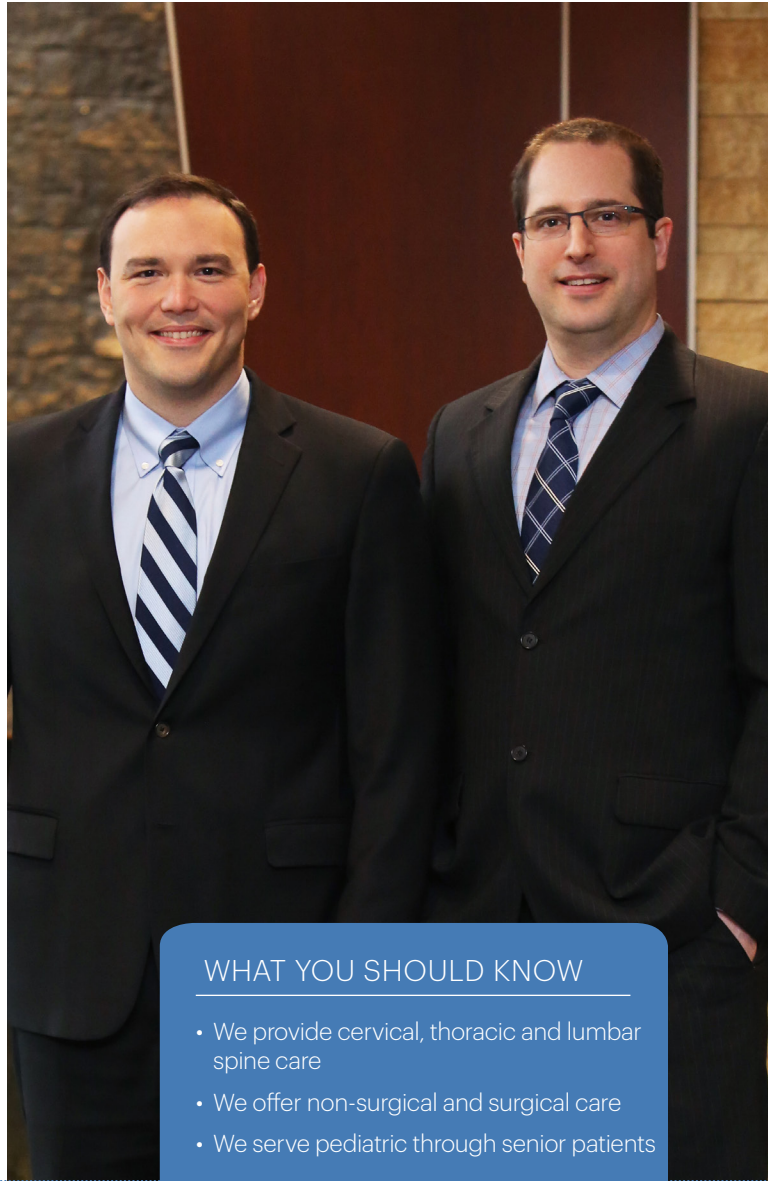

For over 70 years, TWIN CITIES SPINE CENTER has been a leading orthopaedic specialty practice focused exclusively on one incredibly complex area of the body: **the spine.**

We are pleased to recognize our Rising Stars:

**Dr. Christopher Alcalá** completed medical school/residency at University of Puerto Rico. Following completion of his John Moe Spine Surgery Fellowship in 2014, he joined TC Spine and became board certified. Dr. Alcalá is leading research efforts to decrease the need for narcotics following surgery. He sees patients at our clinics in Minneapolis, St. Paul and Woodbury. Dr. Alcalá is a runner, and enjoys time with family and traveling.

**Dr. Benjamin Mueller** completed medical school and residency at the University of Minnesota and also has a PhD in Biochemistry. He graduated from spine surgery fellowship at Leatherman Spine Center in Louisville, KY, and is board-certified. His interests include cervical spine surgery including disc replacements, and adult and pediatric spinal deformity. He sees patients in St. Paul, Minneapolis, Burnsville, Vadnais Heights, and Woodbury. He enjoys sports, the outdoors, and family time.

12 convenient clinic locations
