TWIN CITIES SPINE CENTER
a 2019 Top Workplace**

Twin Cities Spine Center has been named one of the Top Workplaces in Minnesota by the Star Tribune. A complete list of those selected is available at StarTribune.com/topworkplaces2019 and will also be published in the Star Tribune Top Workplaces special section on Sunday, June 16.

Produced by the same team that compiles the 28-year-old Star Tribune 100 report of the best-performing public companies in Minnesota, Top Workplaces recognizes the most progressive companies in Minnesota based on employee opinions measuring engagement, organizational health and satisfaction. The analysis included responses from over 140,000 employees at Minnesota public, private and nonprofit organizations.

Star Tribune Publisher Michael J. Klingensmith said, “The companies in the Star Tribune Top Workplaces deserve high praise for creating the very best work environments in the state of Minnesota. My congratulations to each of these exceptional companies.”

This is the second consecutive year that Twin Cities Spine Center has been named a Top Workplace.
