

## Twin Cities Spine Center

**Dr. Christopher Alcalá, Dr. Eiman Shafa**

For over 70 years, TWIN CITIES SPINE CENTER has been a leading orthopaedic specialty practice focused exclusively on one incredibly complex area of the body: the spine.

We are pleased to recognize our Rising Stars:

Dr. Christopher Alcalá completed medical school and residency at University of Puerto Rico. Following completion of his John Moe Spine Surgery Fellowship in 2014, he joined TC Spine. Dr. Alcalá is board-certified. He is involved in multiple research studies, including improvement of postoperative pain, and delivery of value-based spine treatments. He sees patients in clinics at Minneapolis, St. Paul and Woodbury. Dr. Alcalá enjoys sports, traveling and spending time with family.

Dr. Eiman Shafa completed medical school at Temple University in Philadelphia and his residency at St. Joseph's Medical Center in New Jersey. He completed his John Moe Spine Surgery Fellowship at TC Spine and is Board Certified. His special interests include robotic assisted surgery. He sees patients in clinic at Blaine, Buffalo, Coon Rapids, Minneapolis and Plymouth. Dr. Shafa enjoys adventure races, swimming, snowboarding, reading and spending time with family.
